

Hey! Come celebrate our 10th GenerOZity Charity Fundraiser with us at PAX Aus Online!

GenerOZity is partnering with PAX Aus Online and running for 60 hours, from **10:00am on the 8th of October to 10:00pm on the 10th of October.**

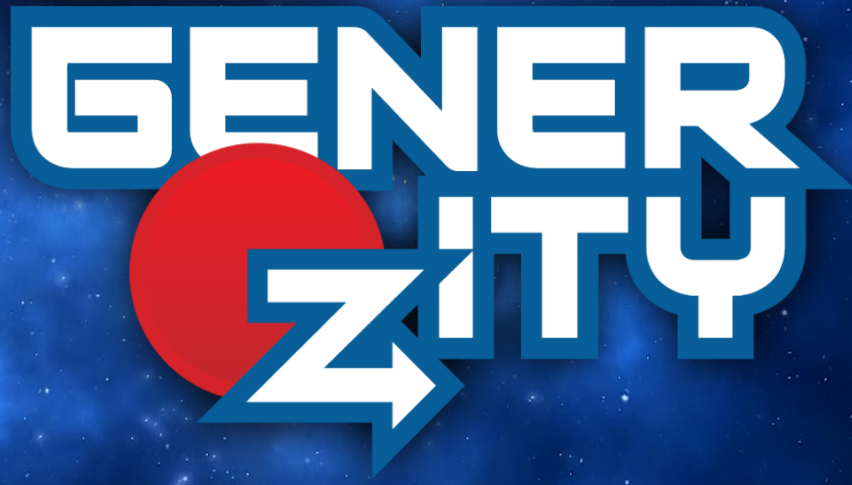

This is a formal invite asking if you'd like to come join around 50 other Aussie and New Zealand content creators collaboratively working together to do some good Down Under.

If you haven't heard of GenerOZity, we're an Australian charity that runs a biannual live-stream marathon that brings together streamers, YouTubers, community groups, eSports orgs, and podcasts for one non-stop live broadcast, with all money raised going straight to the charity we've chosen for the show.

We've raised a total of **\$280,889.81** dollars to date with **\$33,185** for Cure Cancer at *GenerOZity Slumber party* earlier this year.

Our whole team is made up of volunteers working for free. The people that work on the shows. The charity board. Everyone! We've never taken a cent to cover costs!

This show, we're supporting Cure Cancer as they are an incredible cause that directs funds to researchers with the aim of making us the last generation to ever have anyone die of cancer.

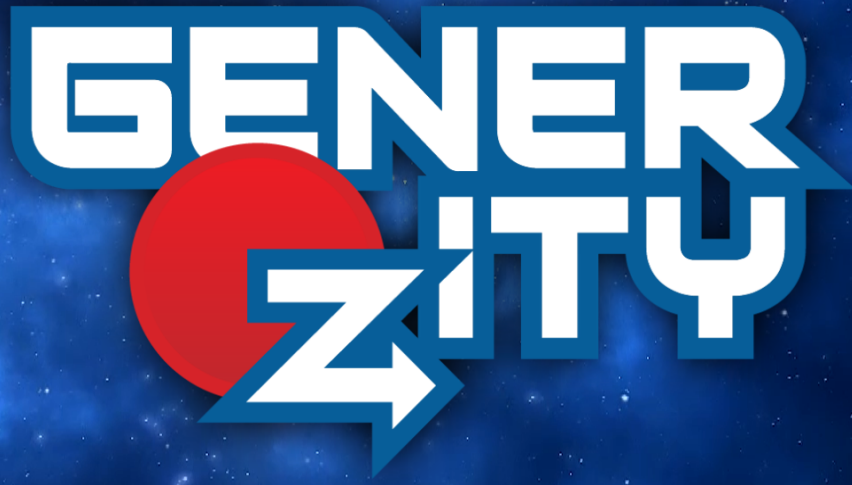

### How it works:

The whole show is going to be remote (from home), and that makes it really easy to get involved.

1. You say ***"I am in"***
2. A member of the team works with you on what you want to stream and what incentives you'd like to put forward
3. We give you a time in the schedule
4. We send you some assets to use  
(including a donation widget that you can easily add into OBS / SLOBS / Xsplit)
5. When it's time for your segment, you go live on your own channel as usual and we mirror your feed onto the GenerOZity twitch channel

We have a Discord that on the day we use for anyone who has questions / would like a live count-in so they know when they are live.

### **PAX Aus Online Segments:**

Of the 60 hour show, 36 hours are going to be on official PAX Aus channels.

If you'd like to be featured on one of the PAX Aus official channels, let us know and we'll see if we can get you in one of the slots!

The process is a bit of back and forth between us and the PAX Aus team and if you're picked, there are a few special rules to doing a PAX Aus Online segment (mainly as it's being featured on Twitch)

### **Other invites:**

If you want to stream with other people, that's fine! If you can think of any other content creators or community groups that you'd like to invite that might be interested, let us know!

### **More questions:**

If you're reading this, you got it from an e-mail or someone giving ya a message - hit them up! The team is amazing and will gladly answer any questions.

Hope to see you at the show!
